In Upcoming Test you can see slots – You can enrol now if your timing is fix or tomorrow

(I don't recommend it as at that time only you have to appear for exam compulsory)

Tomorrow

This schedule will shift to Ongoing test at 9.00 am (10.00 am slot also available tomorrow)

Ongoing Test:

As I have created different batches, it is showing different LaTeX Tests with different time to start the exam. (choose only which has 6th May Date)

Action:

You will find 'Waiting for Attendance' or 'Enter into Test' at one place only in this Action column.

Rest everywhere you will find 'Enrol'.

Then Click Enrol

≣ Student Dashboard

You have sucessfully subscribe to the test   ✕
